

# Yippee Kayak and Boat Rental

---

## Do I need a boating license in Texas? (Important – Read Before Booking)

Yes. Texas law requires anyone born on or after September 1, 1993 to complete a boater education course before operating a rental boat.

👉 Take the official course here:

[Texas Boater Safety Course \(TPWD Approved\)](#)

Important:

The course can take several hours to complete, and you must receive your certificate before your rental time.

We strongly recommend completing this course at least 24 hours prior to your reservation.

---

What happens if I don't complete it in time?

- You will not be allowed to operate the boat
- Your rental may be delayed, rescheduled, or forfeited depending on availability and policy
